Table 57. Decisions requested from the relevant authorities

No.	Decision	Responsible authority	Timing
D1	Accept this Blueprint as a technical input to the national AI policy drafting process	Ministry of Posts, Telecommunications and Information Technology (ICT Division)	Q4 2026
D2	After Phase 0: approve the 12-month Phase 1 pilot, agree an MoU with the selected host institution, and commit Year 1 funding (about Tk 4.7 crore, Table 50, as confirmed by the Phase 0 costing study)	ICT Division and host institution	End of Phase 0
D3	Authorise structured bulk access to already-public document collections and nominate data custodians	Legislative and Parliamentary Affairs Division, Finance Division, Planning Commission, BBS, a2i	During Phase 0
D4	Nominate Steering Board members, and agree that ERRC members are selected through an open call by an independent nominations panel	ICT Division and host institution (Steering Board); independent panel (ERRC)	During Phase 0
D5	Fund and commission Phase 0 (about Tk 0.44 crore, about six months): an open host call, an independent legal review, an independent feasibility and costing study, and confirmation of data access; name a government focal point	ICT Division or a development partner	Within 90 days
D6	Confirm guardrails: no deployment beyond class A without a G4 decision, and no use in prohibited categories	Steering Board	At charter adoption

In time, D1 and D5 come first; D3 and D4 are prepared during Phase 0; D2 follows Phase 0 and D6 the adoption of the charter. None of these decisions creates a statutory body or gives BAPIL legal powers. The approvals and agreements needed before month 1 are listed in Annex T (Table 65).
